PROJECTS

Traffic Jam 3D :-

<https://parthkoladiya.itch.io/trafficjam3d>

In Traffic Jam 3D, players are tasked with managing traffic flow on a busy road by controlling the movement of vehicles. The goal is to clear the traffic grid by strategically moving cars and other vehicles to create a path for the target vehicle to exit the grid.

Helix Jump :-

<https://parthkoladiya.itch.io/helixjump3d>

The game features straightforward controls where players swipe left or right to rotate the helix tower. The game features vibrant and minimalist graphics with visually appealing color schemes.

Quiz Puzzle :-

<https://parthkoladiya.itch.io/quizpuzzle>

These quizzes typically involve questions about a wide range of topics such as history, science, literature, entertainment, sports, and pop culture. Participants are asked questions and earn points or rewards based on their correct answers.

Brick Breaker :-

<https://parthkoladiya.itch.io/brick-breaker-2d>

These quizzes typically involve questions about a wide range of topics such as history, science, literature, entertainment, sports, and pop culture. Participants are asked questions and earn points or rewards based on their correct answers.

Sudoku2D :-

<https://parthkoladiya.itch.io/sudoku2d>

"Sudoku2D" is a term that seems to refer to a variation or style of Sudoku puzzles. Sudoku, as a puzzle, originated in Switzerland and gained popularity worldwide in the early 21st century. The classic Sudoku puzzle is a grid of 9x9 cells, divided into nine 3x3 subgrids.
